We know Josh is affiliated with ASC due to his frequent posts about them and the fact that he has a ASC tattoo on his left hand. Josh also puts "asc" in many of his Facebook usernames ("Josh asc" and "JD asc Moxie").

We confirmed Josh's identity from a felony he was charged with in April 2018, after he fired a gun into the ground outside his home. This information was obtained through public news articles published by the Nebraska Signal.

. @afaina I clarified the group of Hammerskins Josh marched with at Charlottesville was not only Georgia Hammerskins. Boneheads from across the nation marched with that group, my apologies for the mistake!
